

## Join HERO for HEROic rallying!

HERO - the Historic Endurance Rallying Organisation - is a Motor Club recognised by the Motor Sports Association UK (Britain's official motor sports body, linked to FIA) and affiliated to the Federation of British Historic Vehicle Clubs (Britain's member of FIVA - the Fédération Internationale des Véhicules Anciens). It has over 2,600 members, the vast majority of them competitors on HERO's events and other historic rallies. Around 30% of the members are from more than 20 overseas countries around the world.

If you're interested in the adventure and romance of long distance rallying in vintage, historic or classic cars - join us!

As a member, you will be entitled to take part in any event run by HERO, and in rallies run by other clubs to which HERO members are invited. You will receive a regular newsletter, and information about our programme, which includes open days, practice rallies and social events. You'll be invited to join our Marshal's Register, if you'd like to come and officiate, often with a generous contribution to your expenses.

All those who compete on any of HERO's events are entitled to free Life Membership. The £5 annual subscription is paid annually on each member's behalf by HERO Ltd, making membership in effect free. For others, the annual membership fee is £20.

## Membership Application Form

Please print this form out and send back, with applicable fee to:-  
**HERO, The Town House, Leigh, Worcestershire, WR6 5LA, England**

**I apply to join HERO.**
